

# Multiplex nabs £400m contract to transform former Met Police HQ

Multiplex has won a contract to redevelop the site of the former Metropolitan Police headquarters in Westminster.

The Broadway project, which is being masterminded by developer Northacre, is a 1.72-acre mixed-use scheme that will be made up of 268 apartments, 142,000ft<sup>2</sup> of commercial and retail space, public realm and a thoroughfare linking Victoria Street

with St James's Park tube station.

The Squire and Partners-designed scheme received planning permission back in 2016.

The scheme includes six towers, which the developer said would "create a new vibrant commercial and cultural quarter".

Multiplex is due to take possession of the site next January and the project is set to be completed in December 2021.
